

# PANVIVA

## Release Notes

These Release Notes outline changes made to Panviva (version **19.01**) that may directly affect users.

### Fixes

Data displayed in the Document access details chart is incorrect.

(20835, 20834)

We have reviewed and re-written the document access event logging mechanism in the application for complete capture of document access events, with the purpose of ensuring the accuracy of the Document Access Details Analytics report.

If this is you, and you love what we're doing, or you have some product feedback, please let us know at [support@panviva.com](mailto:support@panviva.com)
